

WHO WE ARE?

About Us:

KONSULTecon Institute International – Kell - (Consultants in Economics Institute International) is a privately managed Institute based in Washington, DC. USA. Kell benefits from our staff consisting of a group of experienced professionals ranging from former university faculty members and government civil servants. Over years our experts have successfully provided services to governments in developing countries funded by various donors.

Aim:

The institute aims at being a leading source of knowledge sharing and hub of international consulting.

Mission:

To provide the most rewarding advisory and training services to the public as well as private organizations in the developing and transition economies.

Vision:

Our vision is to become the most reliable and respected source of advisory services globally.
